

# OHIO OSTEOPATHIC SYMPOSIUM

A Collaboration of  
Ohio University Heritage College  
of Osteopathic Medicine  
and Ohio Osteopathic Association

## SPONSORSHIP OPPORTUNITIES

---

The Ohio Osteopathic Symposium is the largest osteopathic CME conference in the state, and includes physicians, medical students, speakers, exhibitors, staff, and guests. The event is a collaboration between the Ohio Osteopathic Association (OOA) and Ohio University Heritage College of Osteopathic Medicine (OU-HCOM).

Due to the distinctive nature of the program, the educational quality, and overall value, many physicians say the Symposium is the only CME program they attend during the year. Your sponsorship positions your company as a leader within health care and a supporter of the osteopathic medical profession. Plus, it aligns you with the ideals of OOA and OU-HCOM to educate physicians in the art and science of patient care and treating the whole patient with a focus on body, mind, and spirit.
